SAFETY VISION

Occupational Safety Training

YOUR SAFETY IS OUR VISION
Safe Vision Occupational Safety Training is striving to be UAE’s leading Health and Safety training and safety equipment trading services provider.

Safe Vision is committed to provide exceptional services, with more than 25 years of experience in Health and Safety, we guarantee you the best and most interactive training services in the UAE.

As a subsidiary of Safety Services Global, the leading safety services provider based in Oman, we look forward in expanding our reach in the UAE in providing high quality products and services in the market today, keeping in mind that “Safety isn’t expensive, it’s priceless”.

Drawing from the experience of helping more than 200,000 working professionals to expand their potential through our training courses, we at Safe Vision strive to make the world a safer place by empowering you the right skills and knowledge.

Understanding the diverse needs of the ever-growing UAE, we have designed and developed courses in occupational health and safety to avoid risks and hazards in the workplace while protecting those around you.
